Hi Mark,  
With regards to the bulky items, have you started the process with the city by requesting bulky item collection through the 311 app or by dialing 3-1-1?

Hello all,  
  
Thank for the fence on both ends of the wash, it has been working great! Please send someone to unlock and open it to clean up the bottom part as this is blocking the water from flowing and draining.  
  
Also last night we got hit with graffiti, please send clean up ASAP!
